PROFILE

Software Engineering student at Addis Ababa University developing web and mobile applications with React, Flutter, and Firebase. Led a seven-member university software-project team, coordinating planning, implementation, documentation, and presentation. Brings professional experience in office coordination and customer communication.

EDUCATION & TRAINING

Bachelor of Science in Software Engineering | Addis Ababa University, Addis Ababa | 2022–2028 (expected)
Advanced Full-Stack Development | IBT College, in collaboration with Qiyas | 2026–Present

TECHNICAL SKILLS

Languages & web: JavaScript, Python, C++, Dart, HTML, CSS, React, Tailwind CSS, Three.js
Mobile & services: Flutter, Firebase Authentication, Cloud Firestore, Gebeta Maps
Backend & tools: FastAPI, PostgreSQL/PostGIS (AI-assisted team work); Node.js/Express (familiar); Git, GitHub, Linux, VS Code

SELECTED PROJECTS

MeetMap Addis | Flutter, Dart, Firebase, Cloudinary, Gebeta Maps | **GitHub**
- Developing an Addis Ababa places-and-events discovery app with search, category filters, favorites, reviews, and user accounts.
- Integrated Firebase Authentication, Firestore, Cloudinary, and Gebeta Maps for location search, routes, distance, and ETA; MVP in development.

Coffee Export Value Chain Management System | Project Manager; React, FastAPI, PostgreSQL/PostGIS | **GitHub**
- Led a seven-member university team building a QR-verified coffee-export traceability system; managed scope, milestones, documentation, and presentation.
- Coordinated AI-assisted backend/database work, including JWT authentication and HMAC-SHA256 QR integrity checks.

Virtual Aquarium | JavaScript, Three.js | **GitHub**
- Built an interactive 3D aquarium with animated fish, lighting, materials, camera controls, and click-based object interaction.

PROFESSIONAL EXPERIENCE

Office Assistant | Samuel Kibret Printing & Advertising, Addis Ababa | Nov 2023 – Jun 2025
- Prepared project documents and reports, organized physical and digital records, and coordinated daily office activities.

Sales & Marketing Representative | MA Garment | 2022 – 2023
- Supported retail customers, product promotion, market research, and ongoing customer follow-ups.

Real Estate Agent | Landmark, Addis Ababa | 2021 – 2022
- Promoted properties, maintained client relationships, supported price negotiations, and prepared documentation.

CERTIFICATIONS & LANGUAGES

ALX Professional Foundations — Certificate of Completion, Dec 2025 | Amharic (native), English (B2)
